

About Bradley Angle

Established in 1975 as the first domestic violence shelter on the West Coast, Bradley Angle supports survivors in achieving safety, empowerment, healing, and hope. Every year, more than 800 adults, teens, and kids walk through the doors at Bradley Angle for emergency shelter, housing assistance, financial education, healthy relationships classes, and more. We are devoted to building communities free from domestic violence and oppression, where loving, compassionate and equitable relationships exist for all people.

About the Holiday Wish Drive

This year more than 200 survivors will visit Bradley Angle to pick out gifts for their loved ones and get a head start on making this holiday season a happy one for their family. This December, all of the survivors we serve at Bradley Angle will be invited to come pick out gifts, housewares, and other supplies for themselves and their loved ones at our Second Annual Holiday Store. While parents are shopping and getting gifts wrapped, their children will be decorating cookies, making decorations, and drinking hot cider.

About the Holiday Wish Drive Committee

We're so excited to continue this annual tradition but it won't be possible without support from volunteers like you. As a volunteer committee member, we ask that you will:

1. Attend monthly meetings at mutually agreed upon times during September, October, November and December.
2. Procure donations from family, friends, and local businesses by reaching out to personal and professional contacts via in-person asks, email and phone contact, and promotion of the event on social media platforms.
3. Volunteer during the Holiday Wish Drive, either during set-up, clean-up, or when the store itself is open.
4. Recruit 3 or more volunteers to assist with the event either during set-up, clean-up, or when the store itself is open.
5. Help us send thank you letters and make thank you calls to donors and supporters.

About Our Volunteer Needs

We're looking for 8 to 12 volunteers to join the Holiday Wish Drive Committee. Specifically, we're hoping for 2-3 people with a strong desire to focus their outreach in each of the following gift categories.
